

# MODIEWARK KITS

All GL McGavin products can be placed in specially designed kits for ease of transport and incident readiness.

These kits are supplied to personnel within the rescue industry as well as military operators. They are widely used by electrical energy suppliers for daily operational procedures to comply with regulated safety standards.

These kits can contain any combination of tester and Hot Stick and are contained in a PVC weather proof bag.

# MODIEWARK KITS

The Modiewark bag and case are a safe and practical method of storing and transporting your Modiewark, with various sizes to suit all combinations.

## MODIEWARK KIT (CONFIGURATION 1 )

- 1x Modiewark
- 1x PVC Modiewark bag

**MODW-KIT1**

## MODIEWARK KIT (CONFIGURATION 2 )

- 1x Modiewark
- 1x Modielive (Modiewark tester)
- 1x PVC Modiewark bag

**MODW-KIT2**

## MODIEWARK KIT (CONFIGURATION 3 )

- 1x Modiewark
- 1x ABS foam filled case

**MODW-KIT3**

## MODIEWARK KIT (CONFIGURATION 4 )

- 1x Modiewark
- 1x Modielive (Modiewark tester)
- 1x ABS foam Filled case

**MODW-KIT4**

Note: Customers need to specify which model of the Modiewark tester they require for their chosen kit

# EMERGENCY SERVICES RESCUE KITS

A Rescue Kit is designed to be used in any type of emergency involving electrical power sources. These kits use a quick disconnection sunrise head which can be pre-loaded with any attachment that may be required, by simply pushing a button the stick and the attached extensions can be transformed into a disconnection hook, a cable repositioning hook or a non contact voltage detector. With this ability the emergency situation can be assessed with the non contact voltage detector, made inactive with the fuse puller and universal disconnection hook and made safe by removing the power lines with the cable retrieval hook.

## RESCUE KIT (CONFIGURATION 1) 1200 MM

- 4x 1200 mm hot sticks
- 3x Sunrise adaptors
- 1x Hot stick end cap
- 1x Gloves large class 2
- 1x Brass retrieval hook
- 1x Universal disconnect
- 1x Modiewark Voltage tester or Rescue Mini Tester
- 1x Coloured PVC Rescue Carry bag

MODW-RESKIT1

## RESCUE KIT (CONFIGURATION 2) 1800 MM

- 4x 1800 mm hot sticks
- 3x Sunrise adaptors
- 1x Hot stick end cap
- 1x Gloves large
- 1x Brass retrieval hook
- 1x Universal disconnect
- 1x Modiewark Voltage tester or Rescue Mini tester
- 1x Coloured PVC rescue carry bag

MODW-RESKIT2

## RESCUE KIT (CONFIGURATION 3) 1200 MM

- 3x 1200 mm hot sticks
- 3x Sunrise adaptors
- 1x Hot stick end cap
- 1x Gloves large
- 1x Brass retrieval hook
- 1x Universal disconnect
- 1x Modiewark Voltage tester or Rescue Mini tester
- 1x Coloured PVC rescue carry bag

MODW-RESKIT3

## RESCUE KIT (CONFIGURATION 4) 1800 MM

- 3x 1800 mm hot sticks
- 3x Sunrise adaptors
- 1x Hot stick end cap
- 1x Gloves large
- 1x Brass retrieval hook
- 1x Universal disconnect
- 1x Modiewark Voltage tester or Rescue Mini tester
- 1x Coloured PVC Rescue carry bag

MODW-RESKIT4

**Note: Customers need to specify which model of the Modiewark tester they require for their chosen kit**

# ELECTRICAL SAFETY KITS

The Safety Kit is designed to be used by industry professionals. This kit can be made up of many combinations and accessories. The sticks included in these kits have a sunrise attachment permanently attached to help minimized day to day stresses and can be accompanied by a extension stick.

## SAFETY KIT (CONFIGURATION 1) 1200 MM

- 1x 1200 mm hot stick with sunrise fitting
- 1x Hot stick end cap
- 1x Gloves large class 2
- 1x Modiewark voltage tester choose model
- 1x Coloured PVC 1 stick side pocket carry bag

MODW-SFTKIT1

## SAFETY KIT (CONFIGURATION 2) 1800 MM

- 1x 1800 mm hot stick with sunrise fitting
- 1x Hot stick end cap
- 1x Gloves large class 2
- 1x Modiewark voltage tester
- 1x Coloured PVC 1 Stick Side Pocket carry bag

MODW-SFTKIT2

## SAFETY KIT (CONFIGURATION 3) 1200 MM

- 1x 1200 mm hot stick with sunrise fitting
- 1x Hot stick end cap
- 1x Modiewark voltage tester
- 1x Coloured PVC 2 stick carry bag
- 1x Modiewark PVC carry bag

MODW-SFTKIT3

## SAFETY KIT (CONFIGURATION 4) 1800 MM

- 1x 1800 mm hot stick with sunrise fitting
- 1x Hot stick end cap
- 1x Modiewark voltage tester
- 1x Coloured PVC 2 stick carry bag
- 1x Modiewark PVC carry bag

MODW-SFTKIT4

Note: Customers need to specify which model of the Modiewark tester they require for their chosen kit

# ELECTRICAL SAFETY KITS

## SAFETY KIT (CONFIGURATION 5) 1200 MM

- 1x 1200 mm hot stick with sunrise fitting
- 1x 1200 mm extension stick
- 1x Hot stick end cap
- 1x Modiewark voltage tester
- 1x Coloured PVC 2 stick carry bag
- 1x Modiewark PVC carry bag

MODW-SFTKIT5

## SAFETY KIT (CONFIGURATION 6) 1800 MM

- 1x 1800 mm hot stick with sunrise fitting
- 1x 1800 mm extension stick
- 1x Hot stick end cap
- 1x Modiewark voltage tester
- 1x Coloured PVC 2 stick carry bag
- 1x Modiewark PVC carry bag

MODW-SFTKIT6

## SAFETY KIT (CONFIGURATION 7) 1200 MM

- 1x 1200 mm hot stick with sunrise fitting
- 1x 1200 mm extension stick
- 1x Hot stick end cap
- 1x Modiewark Voltage tester
- 1x Coloured PVC 4 stick side pocket carry bag

MODW-SFTKIT7

## SAFETY KIT (CONFIGURATION 8) 1800 MM

- 1x 1800 mm hot stick with sunrise fitting
- 1x 1800 mm extension stick
- 1x Hot stick end cap
- 1x Modiewark voltage tester
- 1x Coloured PVC 4 stick side pocket carry bag

MODW-SFTKIT8

## SAFETY KIT (CONFIGURATION 9) 1200 MM

- 1x 1200 mm hot stick with sunrise fitting
- 2x 1200 mm extension stick
- 1x Hot stick end cap
- 1x Modiewark voltage tester
- 1x Coloured PVC 4 stick side pocket carry bag

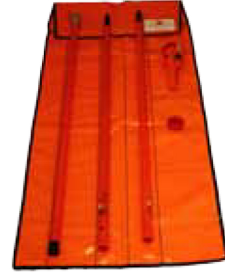

MODW-SFTKIT9

Note: Customers need to specify which model of the Modiewark tester they require for their chosen kit

# ELECTRICAL SAFETY KITS

## SAFETY KIT (CONFIGURATION 10) 1800 MM

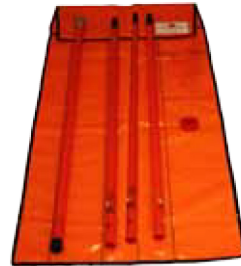

- 1x 1800 mm hot stick with Sunrise Fitting
- 2x 1800 mm extension stick
- 1x Hot stick end cap
- 1x Modiewark voltage tester
- 1x Coloured PVC 4 stick side pocket carry bag

**MODW-SFTKIT10**

## SAFETY KIT (CONFIGURATION 11) 1200 MM

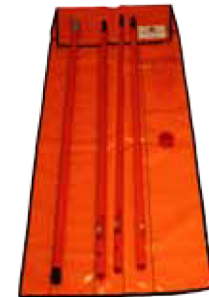

- 1x 1200 mm hot stick with Sunrise Fitting
- 3x 1200 mm extension stick
- 1x Hot stick end cap
- 1x Modiewark voltage tester
- 1x Coloured PVC 4 stick side pocket carry bag

**MODW-SFTKIT11**

## SAFETY KIT (CONFIGURATION 12) 1800 MM

- 1x 1800 mm hot stick with Sunrise Fitting
- 3x 1800 mm extension stick
- 1x Hot stick end cap
- 1x Modiewark voltage tester
- 1x Coloured PVC 4 stick side pocket carry bag

**MODW-SFTKIT12**

**Note: Customers need to specify which model of the Modiewark tester they require for their chosen kit**

# MODIEWARK SPOUT KITS

The Spout Tester can be combined into a kit to allow easy mounting operation.

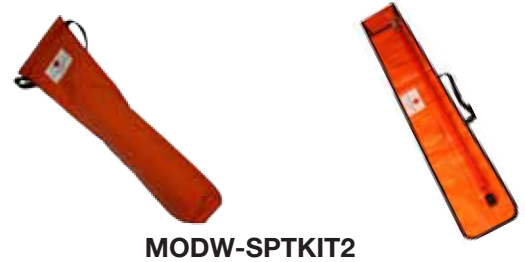

## SPOUT KIT (CONFIGURATION 1) 1200 MM

- 1x 1200 mm hot stick with sunrise fitting
- 1x Hot stick end cap
- 1x Modiewark spout tester specify spout length.
- 1x Coloured PVC 2 Stick Bag
- 1x Coloured PVC Spout Bag

## SPOUT KIT (CONFIGURATION 2) 1800 MM

- 1\* 1800 mm hot stick with sunrise fitting
- 1\* Hot stick end cap
- 1\* Modiewark spout tester specify spout length.
- 1\* Coloured PVC 2 stick Bag
- 1\* Coloured PVC Spout Bag

## SPOUT KIT (CONFIGURATION 3) 1200 MM

- 1x 1200 mm hot stick with sunrise fitting
- 1x Hot stick end cap
- 1x Modiewark Spout tester specify spout length.
- 1x Coloured PVC 2 stick bag
- 1x ABS case to suit 150 mm Spouts

Note: All other spout lengths must be detached to fit into case.

## SPOUT KIT (CONFIGURATION 4) 1800 MM

- 1x 1800 mm hot stick with sunrise fitting
- 1x Hot stick end cap
- 1x Modiewark Spout tester specify spout length.
- 1x Coloured PVC 2 stick Bag
- 1x ABS case to suit 150 mm Spouts

Note: All other spout lengths must be detached to fit into case.

## SPOUT KIT (CONFIGURATION 5)

- 1x Modiewark Spout tester specify spout length.
- 1x Coloured pvc spout bag-modielive
- 1x Modielive Modiewark tester

Note: Customers need to specify which model of the Spout tester they require for their chosen kit
